GREATEST OF ALL CALLINGS: Patriarch of a large successful family--nothing takes more love, leadership and sacrifice and brings more joy, pride and love.

He married Ruth Brown October 9, 1933. She has been a wonderful companion, sweetheart and friend to him for 57 years.

He was happy at the expectation and birth of nine babies: Rose Maurine, Ray Wendell, Gayle, Cindy, Diane, Connie, Ginger, Penny and Scott. Many thanks to their partners. Now with 39 grandchildren and 11 great grandchildren Ray thinks he has the best posterity in the world. "Happy is the man who has a quiver full of them. How great is his joy!"
